## Data Sharing Agreement

**Purpose of form**- An eligible educational institution, such as a college or university, or a lender of a student loan must get your correct identifying number to file certain information returns with the IRS and to furnish a statement to you. For students, this will be your social security number (SSN) or, if you are not eligible to obtain an SSN, your individual taxpayer identification number (ITIN). The returns they must file contain information about qualified tuition and related expenses (Form 1098-T, Tuition Statement) and student loan interest (Form 1098-E, Student Loan Interest Statement). The information about your tuition will help to determine whether you, or the person who can claim you as a dependent, may take either the tuition and fees deduction or claim an education credit to reduce federal income tax. The information about your student loan interest will help to determine your deduction for such interest. For more information, see Pub. 970, Tax Benefits for Education. You are required to provide the requested information.

**Note**- The educational institution or lender may request your SSN or ITIN and certification on paper or electronically.

   If you are a foreign national/nonresident alien and have either been assigned a JHU 988 number **OR** do not have a SSN nor ITIN, follow the link below to certify/acknowledge this fact.

**Penalties**- Failure to furnish correct SSN or ITIN. If you fail to furnish your correct SSN or ITIN to the requester, you are subject to a penalty of $50 unless your failure is due to reasonable cause and not to willful neglect.

I affirm the following statements:

- I have read and understand the purpose of the Certification.
- I understand that the lack of adherence to provide a correct SSN or ITIN will result in a penalty, unless the failure is due to reasonable cause and not to wilful neglect.

Click the link below to indicate that you have reviewed, understand and will abide by the statements above. This is a mandatory step and all students must complete it. **Clicking on the link below will redirect you to a page that displays your SSN or ITIN information of record.**
